OPPORTUNITIES

Clothing Needed for our Lunch Program

On the last Monday of each month, the Fellowship Hall is transformed into a mini-clothing store with Men's, Women's, and Children's departments for our Lunch Guests. Our stock is running low and we could use clothing, especially men's summer clothing. If you have any clothing or shoes you would like to donate, please bring it to church on Sundays or any time during office hours (Monday-Friday, 9:00-4:00).

Transportation Ministry

Our new Transportation Ministry seeks to help some of our most faithful members by providing people with transportation issues a way to get to church, and by providing drivers with wonderful opportunities to get to know people they may not have the chance to meet otherwise. If you would like to participate in this ministry, as a driver or a rider, sign up at the *Here I Am Lord* Table in the Narthex, or contact Nancy Thompson at transportation@rofum.org.

July Collection Challenge

Did you know that most people with a bridge card or food stamps can not use that money to purchase every-day staples like toothpaste, toothbrushes, deodorant, razors, shaving cream, shampoo, conditioner, body wash, soap, feminine hygiene products, toilet paper, and even diapers? We will be collecting these items throughout the month of July for our friends at the Redford Brightmoor Initiative, the NOAH Project, and our own lunch program. 100 boxes to fill will be available beginning Sunday, July 1. Be on the lookout for sales and coupons so you can fill your box and return it to the church by July 29.

Happy Birthday to Us! June 30 and July 1

Join us as we celebrate the 100th anniversary of our sanctuary with worship services lifting up all the powerful moments in our lives together that occurred within its walls!

To celebrate, we need your help. Please record a short, 30-second video of you talking about your memories of important moments in your life, the life of your family, or our life as a church that took place in the sanctuary. Post your video to Facebook or use Facebook live. When filming, please make sure your videos are shot horizontally in a quiet, bright, indoor space, with the camera at eye level. Be sure to tag the church when posting.

We will use your memories to create videos for our worship services and videos to show the world what a wonderful church (and church family) we have here.

If you don't use Facebook or you need help recording the video, you can ask a techie relative or church staff member for help!

Don't miss this powerful and fun worship experience (or the party that will follow)!

CONFERENCE REPORT

Someone told me yesterday that United Methodists are known for three things: Committees, Potlucks, and Singing. While I hope that we're known for more than that, there's more than a kernel of truth. Two weeks ago, some 2000 United Methodists from across Michigan met in Traverse City for our biggest meeting of the year, Annual Conference. Royal Oak First sent our three clergy (Jeff, Myra, and Caleb) with an official delegation including Sue Buxton (serving as Conference Facilitator), Charlene Faunt, and Bob Prud'homme. Bridget Nelson, Youth Ministry Initiatives Coordinator for the Conference, was ever-present, helping shepherd youth delegates in both their responsibilities and in having fun. They were joined by Bob Demyanovich (now serving in Cass City), Bob and Diana Goudie (retired clergy).

This conference isn't like most conferences you might've been to. It's part legislation (picture Congressional coverage on CSPAN), part worship, and part family reunion (both the good and the bad). It's our chance to connect with each other across the state, connect with the global church, and reconnect with our God through worship and prayerful conversation.

Worship services encouraged us to engage with each other within our congregations and outside church walls. In sermons we learned “What Must I Do to Inherit Eternal Life,” “Who Is My Neighbor?” and to “Go and Do Likewise.” We acknowledged problems and reconciliations we must face in the coming years with a hope that we can agree to disagree agreeably.

Nine new districts and their superintendents were recognized that will make up the new Michigan Annual Conference. Royal Oak First is one of 78 churches and 5 multi-point charges in the 9th district, Greater Detroit, with the Rev. Dr. Charles Boayue continuing as our District Superintendent. Director of the National United Methodist Women, Ruby Anderson, from our district, received the John Buxton Award for her creative leadership at all levels of the church. We also celebrated the 50th Anniversary of the union of The Methodist Church and Evangelical United Brethren Church to form The United Methodist Church.

Mixed in with worship were nine **TOM Talks** (Transformational Outreach and Ministry) demonstrating how to engage youth, schools, the poor, neighbors and our local churches in mission during Friday and Saturday teaching sessions. These can be viewed at vimeo.com/miumc.

But most of all we sang our joy and commitment to God from the floor and in the 77-member Conference Choir led by Jeffrey Cobb, Director of Music at Traverse City Central UMC. Our very own Minister of Worship & Arts, **Rev. Caleb Williams, was ordained** by Bishop David Bard as one of three new deacons in Sunday afternoon's closing Ordination Service.

The annual conference also provides a forum for **legislation** when individuals or groups introduce resolutions to hopefully gain the backing of the annual conference. Twenty-eight resolutions were before the conference ranging from conference structure to social and justice concerns. Here are some key pieces approved by the conference:

- for support for the Poor People's Campaign,
- acknowledgment of sin over how we've sometimes treated marginalized people,
- call for unity in diversity,
- to raise the age for juveniles to be held in juvenile facilities,
- call to reinstitute the ban on assault weapons,
- providing breastfeeding space at annual conference,
- a statement about clergy sexual misconduct's effect on the clergy family,
- guidelines for the use of proceeds of sale of local church properties,
- addition to the conference Human Resources Policy,
- the right to address injustice through boycotts, divestment and sanctions,
- call for the end of US military support of Saudis in Yemen,
- work for preventing a war in North Korea, and
- fighting a culture of "fake news" with studies on lying & the bible.

If you'd like to know more, check out michiganumc.org or talk to one of our conference delegates.

LETTER FROM THE PASTOR

*“Like the pine trees lining the winding road,
I got a name”*

Jim Croce, *I Got a Name*

*“Whether we like it or not, we all come from
someplace. And at some point in our lives,
we have to make peace with that place.”*

Jeffrey Stepakoff, *The Orchard*

“Hello, Wisconsin!”

Eric Forman, *That 70's Show*

Somewhere around 10:45 last Monday morning I crossed the Menominee River and suddenly became younger. The all too familiar, yet very nameless, maternal voice of Google Maps spoke three words that turned on a mythical fountain of nostalgia: “Welcome to Wisconsin.” With those words my phone automatically turned back time.

I was home.

I first notice the rows of Red Pines lining the highway, planted in nice symmetrical lines. These trees planted in the mid-1930s by the Civilian Conservation Corps, the federal work program that kept my grandfather out of the soup lines during The Great Depression. I stopped at the first gas station just outside of Pembine, walk to the back cooler and found them, right where I expected they would be—the cheese curds that assure me I am among my people. I drive the next two hours enjoying these bite size delicacies while singing along to a mix of Johnny Cash, Willie Nelson and Waylon Jennings, the soundtrack of every camping trip we took as a family. When I finally get to my dad’s in Rhinelander I see that he has covered the bed I’ll be sleeping on with a Green Bay Packers blanket. This makes a real struggle for me with a sport whose politics around kneeling for anthems and the culture of sexual harassment has created more difficulty, as I am reminded that football is one of things that gives me a bridge to where I come from and to whom I belong.

I was home. Home is where you find your people.

That is what we seek to build here at Royal Oak First. A sense of place. A people to whom we can belong. A soundtrack that can carry us down life’s winding roads.

Welcome home. We are glad you are here!

Grace and Peace,

p
