Volunteers

It takes numerous adults and youth to create a fun, safe, and engaging vacation bible school experience. There are many opportunities for volunteers to provide their assistance.

Ways you can volunteer:

- Group Guide - help guide a small group to each activity area
- Craft helper - help groups with their craft activities
- Science helper - assists groups with science activities
- Recreation games helper - engage groups of children with outdoor game activities
- Bible helper - help teach the daily Bible lesson to groups of children
- Preparations beforehand - prepare materials for activities
- Decorations beforehand - help in preparing the group areas for themed activities
- Meals - prepare and serve dinner meals

Donations

In order to keep costs low for families to attend Vacation Bible School, we need supplies donated. Please check our list of items needed and bring them to the church and place them in the bin located in the gathering space.

Mission Project

During Vacation Bible School we provide the opportunity to participate in a ministry that reaches out into our community. This year we have chosen to help stock our Free Pantry that is in front of the church. Below are some suggestions of items that could be brought into VBS to help those in our community experiencing hunger.

- granola bars
- fruit cups
- beef jerky
- small packets of snacks
- canned vegetables
- trail mix
- juice boxes
- water bottles
