Name Tags have moved!

The single most hospitable thing you can do at church is wear a name tag. In order to make it easier for everyone to find their name tags, they are now on the table in the Narthex. Take this opportunity to make a habit of finding and wearing your name tag so you can be greeted by your name on Sundays. After worship, you can simply return your name tag to the basket at the table and we will put it back in its place for you.

Hospitality Service Opportunities Available

In order to make sure everyone feels welcome at coffee hour, we have created a new position on the hospitality team. Roaming Coffee Hour servers will help make sure that everyone has a place to sit, snacks and beverages to enjoy, and someone to talk to after worship. If you are a friendly person with a passion for making others feel welcome, **contact George Marck at gmarck@rofum.org** to join the team.

Produce Collection for Redford Brightmoor Initiative

Our friends at the RBI Free Store provide fresh produce to their shoppers every Saturday, and we are going to help. You can sign up to bring two bags of produce to Royal Oak First or transport the donations to RBI on the second Saturday of every month. Slots are limited, so sign up soon. Sign up online at rofum.org/links or **contact Astrid Harrod at rbi@rofum.org** if you have any questions.

Christmas Store Collections

Our friends at Cass Community Social Services and Redford-Brightmoor Initiative both provide a free Christmas Store where needy families in Detroit can “shop” for gifts for their family for Christmas. Throughout the month of November, we will be collecting toys, gifts, children’s winter coats, and boots for these wonderful organizations.

They are looking for toys, games, dolls, sports equipment, books, crafts, and clothes for kids. The children’s winter coats and boots can be any size from infant to 18/20. *They ask that we don’t send any stuffed animals or anything that requires batteries.* Items should be new and unwrapped.

Please place your donations in the collection boxes in the Narthex.

The Mitten Tree

Each year, we fill the United Methodist Women’s Mitten Tree with new adult-sized hats, gloves, scarves, and socks for our daily lunch program. This year, we are adding food for the lunches, too. Helpful food items include peanut butter, fruit cups, pudding, raisins, individual serving chip bags, cookies, granola bars, cheese or peanut butter crackers, and juice boxes. You can drop off your donations at the tree in the tower entrance. If you have any questions, **contact Kathy Riggs at 248-390-4345.**

LUNCH PROGRAM COLLECTION

Lunch Program Collection

Every weekday, our lunch program provides a bagged lunch and a hot meal for 30-40 people in our community. In addition to food, the lunch program provides personal care items and the inventory is running low. They are looking for standard personal care items, like soap, razors, deodorant, and shampoo, along with things that are especially useful during the coming winter, like lip balm, lotion, and hand warmers.

Missions Coordinator Position Available

At Royal Oak First, we strive to make a real difference in our community. The Missions Coordinator serves to organize missional collections, help us care for our hungry and homeless neighbors, and work with our community mission partners. For more information, visit rofum.org/jobs or **contact Jennifer Tripoli at jtropoli@rofum.org**.

A NOTE FROM THE PASTOR

Dear Friends,

When it was suggested that we use LEGOs for our fall series I was like, "Sure! Why not? LEGOs are cute and colorful. It will be nice!"

I admit I had no idea how using LEGOs as a metaphor would open up so many possibilities about what it means to be the church.

Here are a few things we are learning about building a "LEGO Church."

1. LEGOs use all different sizes, shapes and colors to make a creation. The diversity of people in the church are what make it beautiful.
2. LEGOs invite collaboration. The first Sunday we watch as a group of both adults and children worked together to build something remarkable. The church is at its best when people can build upon the ideas of others with freedom and joy.
3. LEGOs create an open system of innovation. LEGOs are not a puzzle. With puzzles there is only one solution and only one way the pieces can fit together. LEGOs are all about possibilities. They are flexible. They are adaptable. The ways all the pieces can be put together is infinite. Churches that are flexible and resilient can create new solutions and opportunities.
4. LEGOs are all about connections. LEGOs are built to connect. They are both connected and connectors. They can always make room for more pieces.

This is the kind of future we are building here at Royal Oak First. A church where diversity is a strength and collaboration is encouraged. A church where there are infinite possibilities to experience God's love with the world. A church that will always be open to doing whatever it takes to make room for the next person to get connected.

Thanks for building the LEGO church with me.

Grace and Peace,

Pastor Jeff
