Margaret “Peggy” Gill

Margaret “Peggy” Luella Gill, age 90 and a lifelong resident of Royal Oak, passed away on November 5th, 2020. Beloved daughter of the late William and Eleanor Gill, she was predeceased by her siblings Mary Springstead and Elizabeth Campbell. She is survived by two nephews, Terrance and Henry "Hankie" Campbell. She leaves behind many friends.

Peggy was a member of Royal Oak First United Methodist Church and attended her entire life. She was active in the United Methodist Women's organization, Discipleship class, Bereans Bible study, choir, and she volunteered at church for many years. After Peggy retired, she volunteered in the church office which turned into a part-time job. When she wasn't working in the office she volunteered on her off days. If anyone needed information about a member, past member, or any of their family members, Peggy was the person to talk to. She knew everyone and everyone knew her. She retired from the church in 2018 at the age of 88.

There are many things Peggy enjoyed in life including her church, her friends, and traveling - from up North cottages to places across the US and Europe. She was in Germany when the Berlin Wall came down. Peggy loved animals, especially her cats. Photos of them were framed and set in a place of honor on a table or mantle in her home. Peggy loved people and they loved her. Adults, teens, children, it didn't matter - she was a multigenerational friend. The price for her friendship was a hug. Peggy was famous for her hugs. She will be missed by many.
