SATURDAY NIGHT WORSHIP

Our next Saturday Night Worship service will be on Saturday, February 19 at 4:00 p.m.

LENTEN MUSICAL MOMENTS

Join us online every Sunday in Lent at 4:00 p.m for a 30 minute Musical Moment. Each week, different members of our congregation will present 20-30 minutes of music. Many of us are missing the music at Royal Oak First that we had been used to pre-pandemic. This will be a safe way to lift your spirits with music! You will hear a variety of music each week from choral ensembles, soloists, house band, organ music, piano music, instrumental music and more. Tune in each Sunday at 4:00 p.m. on our YouTube channel beginning March 6.

TIME OF PRAYER

Royal Oak First is now offering a Time of Prayer every Tuesday from 11:00-11:30 a.m. Join one of our Pastors in the Sanctuary to review the prayer list, share our own joys and concerns and spend some time in silence with God. Contact Danielle Moody at dmoody@rofum.org with any questions.

DID YOU KNOW that we offer Sunday School on our 2nd floor during both services every Sunday? Children who are 4 years old, and are less than a year away from kindergarten through youth in 8th grade are welcome! Younger children are welcome in our nursery on the first floor, and high school aged youth are encouraged to participate in worship. Children and youth of all ages are welcome in worship if that is what is best for your family.

Children and youth attending Sunday School can be dropped off at the doors of the "Bible Times Square" on the 2nd floor. Parents/guardians can sign their child in and out from this same spot. We use a Rotation Sunday School model, meaning we use one story from the Bible each month, and learn about it four different ways. Our rotations are Science, Art, Drama and Games. We find that our kids learn a story more deeply after experiencing it a variety of ways in our different activities. Our time begins with all ages together in the Bible Times Square where we read the story for the month and sing some songs and watch some videos about the story. Depending on the number of children present and the age range, we are equipped to split into as many as four groups. Age groups participate in a different rotation each week.

During the school year, Sunday School runs for the entirety of the worship service. In the summer, children and youth can sit with their families in worship until the Children's Moment, after which they will be excused to go upstairs.

Our Sunday School program is a critical piece of our Children, Youth and Family program and is coordinated by Christine Ryckman. She organizes the activities and works to ensure there are enough volunteers each week.

If you have any questions, you can reach out to Christine Ryckman at cryckman@rofum.org or Bridget Nelson at bnelson@rofum.org.

LETTER FROM OUR PASTOR

“The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well.”

—Ralph Waldo Emerson

“Here’s another way to put it: You’re here to be light, bringing out the God-colors in the world. God is not a secret to be kept. We’re going public with this, as public as a city on a hill. If I make you light-bearers, you don’t think I’m going to hide you under a bucket, do you? I’m putting you on a light stand. Now that I’ve put you there on a hilltop, on a light stand—shine! Keep open house; be generous with your lives. By opening up to others, you’ll prompt people to open up with God, this generous Father in heaven.”

—Matthew 5:14-16 The Message

*“It’s my life
It’s now or never
But I ain’t gonna live forever
I just want to live while I’m alive”*

—Bon Jovi

Dear Friends,

What do Transcendental Philosopher Emerson, the Evangelist St. Matthew, and Hair Metal icon Jon Bon Jovi all have in common?

The above three quotes suggest that they all know something about the power of purpose.

Purpose is the reason for which something is done or created.

Purpose is why something exists.

The question of purpose underlies most everything.

What is the purpose of our lives? What is the purpose of religion? What is the purpose of church?
What is the purpose of money?

Resilience comes more readily when one is clear about their purpose. Purpose gives direction and focus. Purpose is the source of strength and passion.

Circumstances can change our approach, our strategy, our techniques, even our priorities, but they need not change our purpose. In fact, the clearer, and more committed, a person or a community are to their core purpose, the less likely they are to be rocked during times of crisis.

This weekend we will explore the power of purpose in our lives and community. Thank you for being a part of this journey with us.

Grace and Peace,
