LETTER FROM OUR PASTOR

Friends,

As the seasons change and the air grows cooler, I'm reminded how God's Spirit also brings change within us. Sometimes that change is slow and gentle, like leaves turning color one by one. Other times it's sudden like a moment when we realize our hearts are being called in a new direction.

Change can be uncomfortable. It asks us to release old fears, habits, or ways of thinking. But every change of heart is an opportunity for God's grace to take root and grow. God is always shaping us and inviting us to become more loving, more open and more aware of His presence in our everyday lives.

Wherever you find yourself this week, I hope you will take a moment to notice how God might be working in your heart. Maybe through a conversation, an act of kindness, or simply a moment of stillness.

I'm looking forward to seeing you on Sunday.

Blessings,
